West Gippsland's Award-Winning Wine, Restaurant and Spa Destination

Brandy Creek Estate is a destination tucked away in the rolling hills just north of Warragul and Drouin in West Gippsland, Victoria. The setting is idyllic, with views that stretch out over the vineyard and olive grove to the neighbouring farms and Baw Baw ranges.

Yet, the estate is more than just a feast for the eyes. Here, you'll find some of Gippsland's best cool climate wines, a restaurant serving mouth-watering tapas, and a luxurious day spa that promises rest and rejuvenation.

The restaurant and bar lounge at Brandy Creek Estate is the embodiment of the perfect winery experience. With floor-to-ceiling glass windows, bespoke decor, and impeccable service, it invites you to sit back, enjoy the views, and let the world drift away.

At the heart of this experience is, of course, the wine. The cool climate of West Gippsland lends itself to the production of exceptional wines, and the team at Brandy Creek Estate has embraced this wholeheartedly. The result is an impressive array of award-winning wines. From the Ménage A Trois sparkling wine, with its aroma of fresh baguettes and stone fruits, to the 2019 Tempranillo, full-bodied and bursting with plum flavours, each bottle is a testament to the care and expertise poured into every step of the winemaking process.

The estate also hosts special events, including corporate and brand functions, parties, and weddings, with photographers beaming at the aesthetic and contrasts. The fastidious chefs offer Paella feasts and Brazilian Churrasco barbecue nights, highlighting the spanish influence that interweaves with the Tempranillo poured.

The day spa at Brandy Creek Estate is a space of luxurious tranquillity, with five state of the art treatment rooms, a relaxation area, deluxe changing room facilities, and the jewel in the crown, the Turkish Hammam.

Brandy Creek Estate is located at 570 Buln Buln Road, Drouin East, VIC 3818, Australia. To learn more about the multifaceted Victorian destination, visit brandycreekestate.com.au
